# Furry Creek Full Scale Emergency Response Exercise for the propane facility in Olivers Landing

Fortis BC and the SLRD will conduct a full scale exercise in emergency preparedness testing plans, roles and systems related to the Fortis BC propane tank at Olivers Landing.

Environment Canada E2 requires an annual exercise of the Fortis BC ERP and a Full Scale Exercise every five years

**February 13, 2025**  
**8.30AM - 3.30PM**
